

ODORTM CRUSHER

THE POWER OF OZONE
ELIMINATING ODOR AND BACTERIA

odorcrusher.com

THE POWER OF OZONE

WHAT IS OZONE?

Ozone or O₃ is the tri-atomic form of oxygen. Stated simply, it is a molecule composed of three oxygen atoms. O₃ rapidly oxidizes organisms such as bacteria, viruses, or contaminants that cause odor and convert it safely back into oxygen (O₂).

Developed from NASA based research, Odor Crusher's ozone activated technology effectively eliminates unwanted odors on your gear. Sweat, soap, food, perfumes—you name it, Odor Crusher™ removes it by killing the organisms that cause odors. 100% chemical free, Odor Crusher™ leaves no scent, chemical residue or harmful byproducts.

Using on-demand ozone, the Odor Crusher™ ozone generation system attacks unwanted bacteria and odors through a natural oxidation process. Odors dissipate, and are safely convert back into standard oxygen, leaving your gear scent free – making every day a fresh start.

BACTERIA BUILDS UP.

Anywhere there's sweat, there's bacteria – and unwanted odor.

O-ZONE ATTACKS.

Oxidation overwhelms bacteria on a molecular level. Then overpowers it.

ODOR DISAPPEARS.

Ozone converts back to standard oxygen and your gear is scent-free and sanitized.

Odor Crusher™ generators are powered by 110v standard AC or 12V power (chargers included), making it simple to use in a standard or vehicle application, and carry a five-year warranty.

DUTY & K9 GEAR LEAVES A STENCH
ODOR CRUSHER™ WILL ELIMINATE IT.

TRANSPORT BAGS

The Odor Crusher™ **Ozone Rolling Transport Bags** provide customizable storage options with additional space needed for larger gear, like clothing, body armor, and helmets. They include many travel-friendly features like heavy-duty wheels and handles for easy transport.

The **Rolling K-9 system** comes with the addition of a collapsible water and food dish. The **Rolling Gun Case** features a rigid bottom compartment for weapons and four heavy-duty wheels for easy transport.

The **Ozone Rolling Transport Bags** are constructed from ultra-rugged 1050 denier nylon with reinforced heavy-duty webbing and D-rings. **Ozone Rolling Transport Bags** are airport/TSA compliant and come with a two-year bag warranty.

CLEAN PORTABILITY WITH ODOR CRUSHER™

TACTICAL BACKPACKS

The Odor Crusher™ **Ozone Tactical Backpacks** are compact, full-featured packs with crush resistant EVA compartments and are packed with all-access storage. Features include a tear/water-resistant nylon and air-mesh back panel, straps, and belt for comfort. The **Ozone 2.0+ Active Shooter** comes with additional front rapid armor deployment and back plate protection compartments as standard safety features. The **Ozone Tactical Backpacks** are constructed from ultra-rugged 1050 denier nylon and will keep you fresh and organized on the go using the power of ozone to destroy all odors within your gear. Airport/TSA compliant, the backpacks come with a two-year warranty on the bag and five-year on the generator.

Armor not included.

FOR THE DAYS OFF.**

TACTICAL OPS TOTE

Toss the Odor Crusher™ **Tactical OPS Tote** in the back of the truck with no worries about the weather or wear and tear. With the option of using the 12v vehicle adapter or standard 110v charger, all your gear and equipment will be fresh and ready to hit the field. The tote is a heavy duty 50-gallon weathertight container that can be used for permanent storage or for traveling. This oversized tote is constructed with oversized wheels for rugged terrain and polypropylene/polyethylene with a leak-proof gasketed top and an inner liner for organized storage. The **Tactical OPS Tote** is even safe for food!

WHEN YOUR DAY IS DONE THE
OZONE CLOSET IS JUST GETTING STARTED.

OZONE OFF DUTY

When you can't fit the equipment into the washing machine, hang it in the Odor Crusher™ **Ozone Deluxe Flex Closet** to get rid of bacteria and unwanted odors. With the touch of a button, you can begin to "clean" any item. Our **Ozone Deluxe Flex Closet** is great for equipment that can't be washed and can extend the life of your gear. The heavy-duty shelving allows you to use as storage when items aren't in use.

OZONE DELUXE

■ FLEX CLOSET

OZONE GEAR

■ STATION

Odor Crusher™ **Gear Station** cleans, dries and removes odors from your boots, shoes, gloves, helmets or gear by destroying odors, mold, mildew, and viruses. With adjustable air pipes, this unit is sure to fit any boot or accessory.

OZONE

■ ROOM CLEAN

Odor Crusher™ **Room Clean** plugs into any standard 110-volt AC outlet to release ozone and rid unwanted odor. Set the variable ozone output and the desired time for use in any room.
